Mr. 

Dear George:

I am enclosing the executed copies of Letter Contract No. TE-2191 which you recently sent. At present, we have patent agreements with the Government that do not fall in line with the suggestions in your Letter Contract, and I should like to officially notify you that there may be some conflict that will require further discussion before a definitive contract can be written.

I realize your intent and have signed the Letter Contract as is because I feel that we can satisfactorily reconcile the various provisions in the different contracts, and I see no reason why one should hold up any work for the clarification of such details.

I shall be glad to hear from you, and will see you later this month.

I intend to be in Boston sometime within the next month, and at that time I will take your instructions for billing with me to discuss with  Hence the initial billing for the month of May may be delayed somewhat.
